San Patrignano is world's largest therapeutic community working for the last 38 years for the full recovery of those suffering from drug addiction.

Rehabilitation, professional training and social reintegration are the key concepts to have given a chance to more than 20, 000 young people to start anew without drugs.

Independently verified success rate of San Patrignano recovery programme is over 70%.

Since 1978, San Patrignano has taken in young people for free, offering them home, healthcare, legal assistance, and the opportunity to study, learn a job, change their lives, and regain their status as full members of society.

For this and the coming year ECAD is a partner to San Patrignano Community in a 2-year long EU project (TRIPLE R) on the exchange of the best practice in the field of recovery between EU member states.

The Triple R project aims at reducing recidivism and crime in regard to drug addiction and spreading the cost effective and productive models on drug Rehabilitation, social Reintegration and Reinsertion of the drug addicts.

Arrivals

Tuesday, October 11th, 2016

Bus transfer to San Patrignano from Hotel Feldberg

10.00 Forum: Drugs and Violence; Critical levels of environmental resources and domestic relationships as the seed to dependence.

Violence and drugs are connected according to SanPatrignano Community's 38 years of operation in recovering addicts.

Often victims of violence initiate drug consumption even before reaching adolescence. A society that is violently competitive, childhood and adolescent abuse, family and social contexts where violence characterize human actions and behaviours, heavily influence our personal paths.

Bus transfer to San Patrignano from Hotel Feldberg

10.00 Forum: Drugs and Violence; how substances can "turn on" and fuel criminality

Trafficking of narcotic drugs is often at the root of criminal systems and behind violent acts. Several studies and researchers identify drug use as a contributory factor to the acts of domestic violence, abuse, bullying, small and large criminal activities, violent crime and road accidents. Most recent analysis reveal drug use as the fuel for terrorist groups.
